

Notice is hereby given that pursuant to Law the following Resolution Amending the Ordinances of the South Farmingdale Water District was duly adopted by the Board of Commissioners of the South Farmingdale Water District at a Public Hearing held on December 29, 2015

**RESOLVED**, that the Ordinances of the South Farmingdale Water District be amended as follows:

Section 3.6 is hereby rescinded, and the following Section which is hereinafter set forth, is adopted in its place:

**Section 3.6 REMOTE METER READINGS - CHARGES**

A service fee may be charged to all water service accounts that do not have the current District approved meter and remote read device installed, or where the meter and/or remote read device have been damaged, removed, lost or missing. The service fee shall be set forth in the rate schedule on file at the District Office.
